S.B. No. 497—Vidak.

An act relating to pupil transportation.

To the Members of the California State Senate:

I am returning Senate Bill 497 without my signature.

This bill requires the Department of Education to request and post on its website specific school transportation data from local entities that provide transportation services to students.

Current law does not prohibit the Department of Education from requesting or collecting, or locals from sharing school transportation information between interested parties that find it useful to compare data.

While well intended, I am unconvinced that this voluntary data collection would produce meaningful information or is a valuable use of limited resources at the local or state level.

For these reasons, I am unable to sign this bill.

Sincerely,

Edmund G. Brown Jr.

S.B. No. 542—Mendoza.

An act relating to workers' compensation.

**Legislative Counsel's Digest of Assembly Amendments**

SB 542, as it passed the Senate, authorized, rather than required, the official medical fee schedule adopted for purposes of workers' compensation provisions to be based on either the maximum service hours and fees set forth in provisions of state law governing in-home supportive services or other state or federal home health care services fee schedules.

The Assembly amendments additionally require, commencing January 1, 2016, every medical provider network to post on its Internet Web site information about how to contact the medical provider network contact and medical access assistants and how to obtain a copy of the complete employee notification. The Assembly amendments also provide that, commencing January 1, 2016, a modification that updates an entire medical provider network plan to bring the plan into full compliance with all current statutes and regulations shall be deemed approved for a period of four years from the modification approval date. The Assembly amendments also require medical provider networks, rather than an insurer, employer, or entity that provides physician network services that arrange for care for injured employees through a medical provider network, to file continuity of care policies, among other duties. The Assembly amendments also require an employer or its claims administrator, rather than an insurer, employer, or entity that provides physician network services, to provide for the completion of treatment by a terminated provider under specified circumstances. The Assembly amendments also define an "entity that provides physician network services" for the purposes described above to mean a medical network licensed by a designated government department or a legal entity that offers medical management and physician network services within California.

The Assembly amendments instead specify that a building, or portion of it, with visible mold growth, as determined by a health officer or code enforcement officer, excluding mold that is minor and found on surfaces that accumulate moisture, as specified, is substandard. The Assembly amendments also provide that a lessor is not obligated to repair dilapidation relating to mold until he or she has notice of it, or if the tenant is in violation of specified affirmative obligations, and would authorize a landlord to enter a dwelling to repair dilapidation relating to mold if the landlord complies with specified provisions.

SB 695, as it passed the Senate, required the commission, if the commission includes a sexual harassment and violence category in the health framework, to comply with specified conditions.

SB 225, as it passed the Senate, required the Department of Resources Recycling and Recovery, when adopting a specified plan and expending funds from the California Tire Recycling Management Fund, to reflect the California Integrated Waste Management Act's priorities.

The Assembly amendments delete those provisions and, instead, require a hazardous waste transporter that transports medical waste to maintain a tracking document in compliance with specified requirements for purposes of tracking medical waste from the point when the waste leaves the generator facility until the waste receives final treatment. The amendments also redefine the term "biohazard bag," make related and conforming changes, and provide that the bill is to take effect immediately as an urgency statute.

S.B. No. 557—Hall.

An act relating to alcoholic beverages.

**Legislative Counsel's Digest of Assembly Amendments**

SB 557, as it passed the Senate, indefinitely extended a provision of the Alcoholic Beverage Control Act that authorized the appearance of a person employed or engaged by an authorized licensee at a promotional event held at the premises of an off-sale retail licensee for the purposes of providing autographs, subject to specified conditions. SB 557, as it passed the Senate, also made nonsubstantive changes to a provision that authorizes a beer manufacturer, the holder of a wine-grower's license, a distilled spirits rectifier, a distilled spirits manufacturer, or a distilled spirits manufacturer's agent, to purchase advertising space and time from, or on behalf of, an on-sale retail licensee, under specified conditions that include the on-sale retail licensee is the owner, manager, agent of the owner, assignee of the owner's advertising rights, or major tenant of specified facilities.

The Assembly amendments delete those changes related to a promotional event. The Assembly amendments instead expand the authorization related to the purchase of advertising space to also include on-sale retail licensees at a fairgrounds with a horse racetrack and equestrian and sports facilities located in the County of San Diego and make related legislative findings and declarations in regard to the necessity of a special statute for the County of San Diego. The Assembly amendments, by creating new crimes, imposes a state-mandated local program. The Assembly amendments also incorporate changes to Section 25503.6 of the Business and Professions Code proposed by both this bill and SB 462, which would only become operative if both bills are enacted and become effective on or before January 1, 2015, and this bill is enacted after SB 462.
